*American Japan Karate Association
 The Keeper of Karate's Highest Tradition*

***“ The ultimate aim of the art of karate lies
 Not in victory or defeat,
 But in the perfection of the character of the participant ”***

Gichin Funakoshi, founder of shotokan karate

Welcome to the World Headquarters of Karate

The JKA is the most authoritative and by far the largest organization in the world, the Keeper of Karate's Highest Tradition. No other organization approaches karate with greater intensity of purpose than we do, or maintains such a large and dedicated professional staff of high-trained instructors. At the JKA, karate is not merely a sport; it's a martial art whose aim is the harmonizing of mind and body for balance, strength, perseverance, patience-for total confidence and self-mastery.

The World's Foremost Authority on Karate

With a vast membership in over 100 countries, the JKA is the world's largest and most prestigious karate organization.

Recognized heir to the Shotokan karate tradition, it is the only legal karate entity officially approved by the Japanese government as an association of members (Shadan Hojin) for the promotion of karate, and granted a tax-free status. More importantly, the JKA is the preserver of the soul and spirit of the art of kokufo-bunka karate-do-karate based on the ancient Japanese tradition of Bushido (the way of the samurai). Our mission is to promote this way of karate throughout the world, ensuring that it remains true to the philosophical precepts upon which it was founded.
